Event: **2024 DUBAI 'O' PLATE**

Bulletin: #1 (ROTAX CLASSES)

Subject: 1) **EXHAUST SYSTEMS FOR MICRO MAX & MINI MAX**
2) **SCRUTINEERING TIME SLOT**

Dear Competitors / Team Managers / Entrants,

1) **EXHAUST SYSTEMS FOR MICRO MAX & MINI MAX**

For the **2024 Dubai 'O' Plate Competition**, all **Micro and Mini Max class exhaust systems** must have been sealed by the UAE Rotax dealer between the **12th and 19th of January 2024**.

Any Competitor using an exhaust system which was not sealed between the **12th & 19th of January 2024**, must first purchase a voucher for a new isolating mat from the UAE Rotax (Rotax part number 297982 for Micro MAX; Rotax part number 297985 for Mini MAX).

The designated time window for exhaust inspections following pre-race scrutineering:

- **MICRO MAX: 16:00 – 17:00**
- **MINI MAX : 17:00 – 18:00**

Exhaust systems not sealed between the **12th & 19th of January 2024** need to be presented to the Scrutineers for inspection along with the voucher, which will be retained by the Scrutineers in exchange for a new isolating mat.

The driver's representative will be required to unpack the perforated tube/matting in the presence of the Scrutineers and reassemble the exhaust system components according to Articles 6.16 and 6.17 of the UAE RMC Technical Regulations.

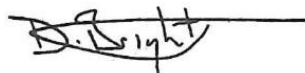

A Rotax seal will be applied by the Scrutineers according to Articles 6.16 of the UAE RMC Technical Regulations.

Only the exhaust(s) presented and sealed at scrutineering is (are) legal to be used throughout the event. Competitors are prohibited from removing the exhaust seal at any time.

2) **SCRUTINEERING TIME SLOT**

DUE TO THE ABOVE EXHAUST INSPECTION, **the official scrutineering time** will be from: **12 PM – 4 PM (4hrs)**.

Thank you in advance for your cooperation.
